

# StarPay-WordPress plug-in

WooCommerce Version guide line

# Basic description

StarPay is an aggregate payment product launched by Japan's Netstar company.

Now we launch the ECSHOP payment plug-in for WordPress + wordcommerce, which can be easily searched in the WordPress store, After one click installation, simple information configuration can be used.

The plug-in now supports cross border payments of China's Alipay, WeChat payment and UnionPay. Japan's PayPay/LINEPay/MerPay/楽天ペイ/d払い/auPAY/Jcoin and other payment methods are also supported. With the development of payment technology in Japan. In the future, it will continue to update and add, and the payment types of other countries will also be included.
